BRAEFORD SCOTCH SHORTHORN DISPERSAL

FRIENDS AND FELLOW BREEDERS:

We welcome you to Braeford and to our Dispersal sale.

We are glad to have you with us and hope it will be an enjoyable day.

The Braeford herd of Shorthorns was founded in 1942 and since that time we have been improving our breeding stock.

In 1947 we purchased "Jasper," a son of Killearn Bard. That same year we purchased Sunrise Bella and Sunrise Maid from Hans Martens, Melville. These females were by the good breeding bull "Royal Remembrance." "Jaspers Pride" was the first calf from Sunrise Bella and sired by Jasper.

In 1949 we purchased another good daughter of "Royal Remembrance." She was bred to "Killearn Royal James." Most of our breeding stock comes from these three females with the exception of the two Remital heifers by "Marsden Consort" (imported). We bought these heifers in 1954.

For sires we have had a son off "Killearn Royal James": Red Max B., a son of Killearn Red Max; "Braeside Norseman 10th" by Killearn Norseman 113th; and our present herd sire, "NORSEMAN 10th"—Lot 1.

We are quite proud of the winnings we have had with our herd. Our last showing was in 1958. While "NORSEMAN 10th" was at the International Show in Calgary where he was made Reserve Senior Champion, the rest of our show herd was at Yorkton Summer Fair with a young bull making up the group classes. We had Junior Champion and Reserve Grand bull, Reserve Grand Female, 1st in the Breeders Herd, 1st in the Get of Sire, 1st for three calves, and 1st for two bulls. We did not show this year on account of preparing for the sale. Our herd is at pasture and is selling in natural condition.

Whether you need breeding stock or not we welcome you to Braeford.
John and Jessie Riddall.

P.S.—We have made nominations for the Toronto Royal and wish to reserve showing privileges on those selected by the committee.
